SUBJECT: 2016 Five-Year Action Plan - Approval

Mr. O'Leary:

In accordance with PIH Notice 2011-24, all work items contained in the Capital Fund Program (CFP) Annual Statement must be included in the HUD-approved Capital Fund Five-Year Action Plan. Qualified PHAs that are proposing to undertake new work items that are not in an approved Capital Fund Five-Year Action Plan are required to revise/amend their Five-Year Action Plan.

Akron Metropolitan Housing Authority (AMHA) submitted its 2016 Five-Year Action Plan to include the work items on their CFP 2016 Annual Statement.

This is to inform you that the GMHA's 2016 Five-Year Action Plan is hereby approved. The copy of the 2016 Annual Statement which is included in this submission is only approved as part of the 5-Year Action Plan submission. Once the 2016 Capital Fund allocations have been made AMHA will still need to submit a 2016 Annual Statement for approval.

A copy of the approved 2016 Five-Year Action Plan is attached for your records. If you have any questions, you may contact Kendrick Cloud, Engineer, of my staff via phone at (216)357-7744 or via email at Kendrick.C.Cloud@HUD.gov.

Sincerely,

for Kevin J. Laviano,
Director, Cleveland Office of Public Housing
