Demolition and/or Disposition.
Conversion of Public Housing to Tenant Based Assistance.
Conversion of Public Housing to Project-Based Assistance under RAD.
Project Based Vouchers.
Units with Approved Vacancies for Modernization.
Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.

### Choice Neighborhoods:
AMHA is applying for Choice Neighborhoods Planning Grant funding in 2020 to assist with developing a redevelopment program for Summit Lake Apartments (part of AMP OH07000028), in addition to the site’s surrounding neighborhood. Funding awarded via a Choice Neighborhoods Planning Grant would support the development of a comprehensive neighborhood transformation plan for the targeted site and neighborhood.

### Mixed Finance Modernization or Development:
AMHA is exploring affordable mixed finance development opportunities in the County. AMHA seeks to acquire property in the County to develop affordable housing units. AMHA is also exploring mixed finance modernization of its existing portfolio through a variety of financing options, such as RAD (described below).

### Demolition and/or Disposition:  (Attachment B)
AMHA intends to demolish and/or dispose of the Public Housing properties included in Attachment B.

AMHA will use proceeds received through the disposition of property in accordance with 24 CFR 970.19(e) for the reasonable costs of relocation or disposition; the retirement of outstanding obligations, if any, issued to finance original development or modernization of the project; the provision of low-income housing or to benefit the residents of the PHA, through such measures as modernization of lower-income housing or the acquisition, development, or rehabilitation of other properties to operate as lower-income housing; to leverage amounts for securing commercial enterprises, on-site in public housing developments of the PHA, appropriate to serve the needs of the residents; or for any other use approved by HUD.

### Conversion of Public Housing to Tenant-Based Assistance:
AMHA is evaluating its public housing properties for disposition. AMHA may submit an application to SAC and apply for tenant-based assistance.

### Conversion of Public Housing to Project-Based Assistance under Rental Assistance Demonstration (RAD):  (Attachment C)
AMHA is evaluating its public housing properties for conversion to the Rental Assistance Demonstration (RAD) program. In FY21, AMHA intends to apply for RAD conversion pursuant to Attachment C.

AMHA expects to be a successful applicant for RAD conversion. As a result, AMHA will be converting to Project Based Vouchers (PBV) or Project Based Rental Assistance (PBRA) under the guidelines of PIH Notice 2019-23, REV-4 and any successor notices. Upon conversion to PBV or PBRA, AMHA will adopt the resident rights, participation, waiting list and grievance procedures listed in for conversions to PBV: Section 1.6 of PIH Notice 2019-23, REV-4; PIH Notice 2016-17; and for conversions to PBRA: Section 1.7 of PIH Notice 2019-23, REV-4; and PIH Notice 2016-17. These resident rights, participation, waiting list and grievance procedures are appended to the PH Plan. Additionally, AMHA certifies that it is currently compliant with all fair housing and civil rights requirements.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing AMHA with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, AMHA’s Capital Fund Budget will be reduced by the pro rata share of public housing developments converted as part of the demonstration, and that AMHA may also borrow funds to address its capital needs. AMHA intends to contribute Operating Reserves, Capital Funds, and/or Demolition or Disposition Translational Funding. AMHA currently has debt under an Energy Performance Contract and Capital Fund Financing Program and will be working with its lenders to address outstanding debt issues, which may result in additional reductions of capital or operating funds. Finally, if needed, AMHA will prepare and publish a significant amendment or update its Annual/5-Year Plan at the appropriate time to comply with the requirements in 2019-23, REV-4.

### Project-based Vouchers:
AMHA currently operates a project-based voucher (PBV) program and plans to continue working with community partners to identify specific target populations to be served through further project-basing of vouchers.

Based on a subsequent RFP, AMHA awarded 4 additional PBV for Summit County Liberty Homes, a housing project, to serve veteran families.
The agency intends to issue additional RFPs in the coming year to expand housing opportunities. AMHA may also consider applications outside the RFP Process consistent with Chapter 20 of the Administrative Plan. AMHA has tentatively determined that up to 200 additional vouchers could be project-based in the Plan year, although based on proposals received in the previous rounds, this is an aggressive figure.

**Units with Approved Vacancies for Modernization:**
OH007000008, 713123, General Occupancy and OH007000008, 723006, General Occupancy

In addition, as units become vacant and are in need of comprehensive renovations, AMHA intends to request approval to renovate units utilizing Capital Funds, which will result in units being placed in “Approved Vacancy for Modernization” status.

**Other Capital Programs:**
AMHA is seeking HUD approval to add a Phase 4 to its existing Energy Services Contract with Ameresco that would include the installation of LED lighting at the majority of its public housing properties.

The Parents as Teachers program met all fidelity requirements for the fifth year in a row, maintaining blue ribbon model affiliate status. Due to Covid-19, home visitors pivoted to providing virtual services in late March. Eighty-two (82) SPARK children will be transitioning into kindergarten this fall. Due to significant local funding decreases, the number of children to be served this next year is expected to be reduced.
- Since last report, eleven early childhood Family Outreach Events were held at six family developments. 114 households attended these events (280 individuals). Events were suspended in mid-March due to the public health crisis. The team is currently partnering with Akron Children’s Hospital’s External Affairs Department to offer pop up, small scale “drive/walk-thru” events where the hospital is providing families with summer activity supplies to remain active and healthy, and safety supplies such as hand sanitizer, facial coverings, hot/cold packs, and thermometers, and AMHA Early Childhood staff providing families with free books as part of the Book Rich Environment Initiative. Eligible families were able to receive free car seats from ACH at this event as well. Early Childhood staff will potentially replicate this event model for later events if successful, to assure that AMHA families continue to have the opportunity to receive needed services and information.
- 64 mothers have participated in on-site maternal depression support groups held at five family developments in partnership with a local child mental health service. These maternal depression support groups were temporarily suspended in mid-March due to Covid-19. A virtual option began to be offered twice a week in early June.
- 237 families received resource and referral and/or resident engagement visits to assure that the basic needs of families with young children were met. A new partnership has allowed the Early Childhood Initiative to share 3,000 diapers with families each quarter, and this number has been increased during the public health crisis.
- As part of SPARK, Get Ready for School is a six day introduction to kindergarten at the child’s soon to be school that assists with a smooth transition into kindergarten. Because of the pandemic, this programming was suspended this year. A new virtual version of the program was created in its place during these uncertain times where group events are discouraged. These videos were created by SPARK staff and will allow the family to participate at their own pace. Early Childhood SPARK staff are working with Akron Public Schools to sign participants up for kindergarten and schedule the family’s time to pick up their child’s Chromebook early so that they family and child can get used to using the device over the summer.
