(b) The PHA must submit its Deconcentration Policy for Field Office Review. [Attachment A](#)

(c) If the PHA answered yes for any element, describe the revisions for each element below:

**Financial Resources:**
The Akron Metropolitan Housing Authority (AMHA) entered into our MTW ACC agreement on September 1, 2021. As of this date, AMHA has the flexibility to apply fungibility among public housing operating funds, public housing capital funds, and housing choice voucher funds.

**Rent Determination:**
Tiered Rent for a random sample of eligible households as part of MTW Cohort #2. Households are grouped into income tiers and all households within a tier pay the same rent. A household’s income determines the tier they are assigned to, so there remains a connection between income and rent, but small changes in income will not affect rent. MTW Test Rent #1 has $2,500 tiers, and the rent within each tier is set to be affordable at the middle of the tier (28% of 12 month retrospective gross income). Regular income-reexaminations will occur every three years. See MTW supplement, HCVP administrative plan and admissions and continued occupancy policy changes addendum for additional information regarding rent determination. The Admissions and Continued Occupancy Policies for AMHA’s Public Housing, Edgewood Village and Cascade Village were updated to include the Public Housing Income Limit rules in compliance with the Housing Opportunity Through Modernization Act of 2016 and PHH-2019-11(HA).

**Definition of Substantial Deviation and Significant Amendment or Modification**
The Akron Metropolitan Housing Authority (AMHA) considers any of the following to be a substantial deviation from the Agency’s 5-Year Plan and a significant amendment or modification to the Agency’s Annual Plan. If any of the criterions are met, AMHA will submit a revised Plan(s) that satisfy all public process requirements. Changes made to comply with new or revised HUD rules do not constitute significant deviation or modification from the Plans presently submitted. Revisions made to work items and activities contained in the Plan, to accommodate the loss of PFS subsidy or capital funds received from HUD as a result of inadequate appropriations, shall not be considered substantial deviation or significant modification from the present plans.

**5-Year Plan**
- Complete deletion of a stated overall goal.
- Addition of an overall goal.
- Revisions to the AMHA mission statement that deviates from the present commitments.

**Annual Plan**
- Elective changes to rent, admissions, or tenant selection policies.
- Changes to the organization of the waiting list.
- Additions of non-emergency work items (items not included in current Capital Plan Annual Statement or 5-Year Action Plan).
- Changes in use of replacement reserve funds under the Capital Fund.
- Any additions of activities or revisions to the demolition, disposition, designation, homeownership or conversions activities currently listed in the Plan.
- MTW supplement plan

**Substantial Deviation:**
As part of the Rental Assistance Demonstration (RAD) program, AMHA is redefining the definition of a substantial deviation from the PHA Plan and 5-Year Plan to exclude the following RAD-specific items:
- The decision to convert to either Project-Based Rental Assistance or Project-Based Voucher Assistance;
- Changes to the Capital Fund Budget produced as a result of each approved RAD conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;
- Changes to the construction and rehabilitation plan for each approved RAD conversion; and
- Changes to the financing structure for each approved RAD conversion.
B.2 New Activities.

(a) Does the PHA intend to undertake any new activities related to the following in the PHA’s current Fiscal Year?

</tbody>

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.

Choice Neighborhoods:
AMHA was awarded the FY 2020 Choice Neighborhoods Planning Grant to assist with developing a redevelopment program for Summit Lake Apartments (part of AMP OH007000028), in addition to the site’s surrounding neighborhood. Funding awarded via a Choice Neighborhoods Planning Grant is supporting the development of a comprehensive neighborhood transformation plan for the targeted site and neighborhood. The Grant’s period of performance started on 12/16/2020 and will end on 3/31/2023.

Mixed Finance Modernization or Development:
AMHA is exploring affordable mixed finance development opportunities in Summit County. AMHA seeks to acquire property in the County to develop affordable housing units. AMHA is also exploring mixed finance modernization of its existing portfolio through a variety of financing options, such as RAD (described below).

Demolition and/or Disposition: (Attachment B)
AMHA intends to demolish and/or dispose of the Public Housing properties included in Attachment B.

AMHA will use proceeds received through the disposition of property in accordance with 24 CFR 970.19(c) for the reasonable costs of relocation or disposition; the retirement of outstanding obligations, if any, issued to finance original development or modernization of the project; the provision of low-income housing or to benefit the residents of the PHA, through such measures as modernization of lower-income housing or the acquisition, development, or rehabilitation of other properties to operate as lower-income housing; to leverage amounts for securing commercial enterprises, on-site in public housing developments of the PHA, appropriate to serve the needs of the residents; or for any other use approved by HUD.

Conversion of Public Housing to Tenant-Based Assistance:
AMHA is evaluating its public housing properties for disposition. AMHA may submit an application to SAC and apply for tenant-based assistance.

Conversion of Public Housing to Project-Based Assistance under Rental Assistance Demonstration (RAD): (Attachment C)
AMHA is evaluating its public housing properties for conversion to the Rental Assistance Demonstration (RAD) program. In FY22, AMHA intends to apply for RAD conversion pursuant to Attachment C.

AMHA expects to be a successful applicant for RAD conversion. As a result, AMHA will be converting to Project-Based Vouchers (PBV) or Project-Based Rental Assistance (PBRA) under the guidelines of PIH Notice 2019-23, REV-4 and any successor notices. Upon conversion to PBV or PBRA, AMHA will adopt the resident rights, participation, waiting list and grievance procedures listed in for conversions to PBV: Section 1.6 of PIH Notice 2019-23, REV-4; PIH Notice 2016-17; and for conversions to PBRA: Section 1.7 of PIH Notice 2019-23, REV-4; and PIH Notice 2016-17. These resident rights, participation, waiting list and grievance procedures are appended to the PH Plan. Additionally, AMHA certifies that it is currently compliant with all fair housing and civil rights requirements.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing AMHA with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, AMHA’s Capital Fund Budget will be reduced by the pro rata share of public housing developments converted as part of the demonstration, and that AMHA may also borrow funds to address its capital needs. AMHA intends to contribute Operating Reserves, Capital Funds, and/or
Demolition or Disposition Transitional Funding. AMHA currently has debt under an Energy Performance Contract and Capital Fund Financing Program and will be working with its lenders to address outstanding debt issues, which may result in additional reductions of capital or operating funds. Finally, if needed, AMHA will prepare and publish a significant amendment or update to its Annual/5-Year Plan at the appropriate time to comply with the requirements in 2019-23, REV-4.

**Project-based Vouchers:**
AMHA currently operates a project-based voucher (PBV) program and plans to continue working with community partners to identify specific target populations to be served through additional project-based vouchers.

Based on a subsequent RFP, AMHA awarded 50 additional PBVs for EnVision Apartments, a housing project serving families, 45 PBVs for scattered site, family supportive housing and 24 PBVs for Wintergreen Ledges, a proposed workforce development property.

The agency intends to issue additional RFPs in the coming year to expand housing opportunities. AMHA may also consider applications outside the RFP process consistent with Chapter 20 of the Administrative Plan. AMHA has tentatively determined that up to 200 additional vouchers could be project-based in the Plan year, although based on proposals received in previous rounds, this is an aggressive figure. AMHA will also no longer require a third party to conduct rent reasonableness and inspections at PBV properties that AMHA has an interest in, see MTW supplement and HCVP administrative plan addendum for additional information.

**Units with Approved Vacancies for Modernization:**
OH007000008,713123, General Occupancy and OH007000008, 723006, General Occupancy

In addition, as units become vacant and are in need of comprehensive renovations, AMHA intends to request approval to renovate units utilizing Capital Funds, which will result in units being placed in “Approved Vacancy for Modernization” status.

**Other Capital Programs:**
AMHA received HUD approval to add a Phase 4 to its existing Energy Services Contract with Ameresco that includes the installation of LED lighting in the common areas, exterior and apartment lighting at the majority of its public housing properties, as well as a limited number of door and window replacements and solar panel inverters.
