*When you are just beginning your journey...
you can grow with us.*

The Children's Center at Valley View, a state-licensed and accredited preschool, is now accepting enrollments for the 2023-2024 school year. We are a play-based, interactive preschool with a focus on social/emotional development and a creative, hands-on learning environment. Classes will begin in September 2023 and follow the City of Akron school system calendar (with the exception of spring break & conference days). All students must be 4 years old by 9/30/2023 and must be potty trained.

Visitation appointments available. Stop by and pick up an enrollment form to reserve your child's spot while they are available.
