Hosted by AMHA's non-profit arm, Building for Tomorrow (BFT).
Dear Community Friend,

At the Reach Opportunity Center, we’ve served low income individuals and families in South Akron for over 5 years! Individuals such as Gregory notice the profound impact that this dynamic, thriving educational center has made in the Summit Lake neighborhood and beyond.

On **Wednesday, September 6th at 7:30 am**, we will host our Annual Reach Higher Breakfast at the Hilton Akron/Fairlawn, to raise money and awareness about how the efforts of Building for Tomorrow (BFT) and our community partners are positively impacting residents through the Reach Opportunity Center. Our goal is to raise $30,000 through corporate sponsorship, individual giving, and more!

We are writing to ask you to sponsor this event, and join us at our celebration! This year's sponsorship opportunities are attached. With continued support from people like you and organizations like yours, we have been able to offer cradle to career services for residents living in Akron’s most impoverished neighborhood. We can’t do it alone!

We know that the residents in Summit Lake are resilient, and vibrant, and full of potential. We know that with a place like the Reach Opportunity Center, where they can learn and grow, residents will prosper. We know that a stronger Summit Lake means a stronger Summit County.

Thank you in advance for your gracious support. If you have any questions, please contact Christina Hodgkinson at 330-376-7963 or chodgkinson@akronhousing.org.

Sincerely,

Mr. Herman L. Hill

"I have seen how this center has become a safe haven for so many individuals and how its resources, such as the STEAM lab, have become an important tool for self-development and education."
