(b) If the PHA answered yes for any element, describe the revisions for each element below:

**Statement of Housing Needs and Strategy for Addressing Housing Needs**

AMHA hopes to use the Local, Non-Traditional Activities to address the local need for shelter/housing for comfort-care housing.

**Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.**

The Administrative Plan added a preference for referrals from The Summit County Continuum of Cares for Homeless individuals or those staying in shelters. It will be capped at 30 referrals per year.

**Financial Resources:**

The Akron Metropolitan Housing Authority (AMHA) entered into our MTW ACC agreement on September 1, 2021. As of this date, AMHA has the flexibility to apply fungibility among public housing operating funds, public housing capital funds, and housing choice voucher funds.

**Rent Determination:**

Tiered Rent. For a random sample of eligible households as part of MTW Cohort #2, households are grouped into income tiers and all households within a tier pay the same rent. A household’s income determines the tier they are assigned to, so there remains a connection between income and rent, but small changes in income will not affect rent. MTW Test Rent #1 has $2,500 tiers, and the rent within each tier is set to be affordable at the middle of the tier (28% of 12 month retrospective gross income). Regular income reexaminations will occur every three years. Following the enrollment period of the Tiered Rent Demonstration, all workable households will use the tiered rent model and be on a triennial reexamination schedule.

Elderly/disabled households with only fixed income and no minors in the household will have their regular income reexaminations done every three years rather than annually. AMHA will offer a standardized medical deduction in place of the current deduction for unreimbursed medical deductions. See MTW supplement, HCVP administrative plan and admissions and continued occupancy policy changes addendum for additional information regarding rent determination.

The Admissions and Continued Occupancy Policies for AMHA’s Public Housing, Edgewood Village were updated to include the Public Housing Income Limit rules in compliance with the Housing Opportunity Through Modernization Act of 2016, section 103 and PIH-2023-03(HA).

We will be adding the final rule implementation sections 102 and 104 HOTMA for January 1, 2025.

**Safety and Crime Prevention**

The Akron Metropolitan Housing Authority (AMHA) believes providing occupancy to Police Offices is necessary to increase security for public housing residents. At this time, 4 of our amps have police officers and/or Sheriff’s deputies living in them. They are: 722163, 739008, 744014 and 721165.

Conversion of Public Housing to Project-Based Assistance under RAD.

Project Based Vouchers.

Units with Approved Vacancies for Modernization.

Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants and/or other HUD Grant Funding Opportunities).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.

Choice Neighborhoods:
AMHA completed a FY2020 Choice Neighborhoods Planning Grant in December 2022 which resulted in a comprehensive plan for the redevelopment of Summit Lake Apartments (part of AMP OH00700028), and transformation of the surrounding neighborhood which was submitted to and accepted by HUD.

AMHA intends to apply for an FY2023 and/or FY2024 Choice Neighborhoods Implementation Grant to implement the transformation plan for Summit Lake Apartments and the surrounding neighborhood. If awarded, it is AMHA’s intent to demolish and redevelop Summit Lake Apartments with one-for-one replacement of existing units in a mixed-income community on and off-site that would include other affordable and unrestricted rental units using RAD, Low Income Housing Tax Credits and other public and private funding sources that may be available. In connection with the redevelopment, AMHA may dispose of some of the land where Summit Lake Apartments property is located. AMHA is also exploring the possibility of using up to 71 Project Based Vouchers in projects developed by another entity for replacement units.

Mixed Finance Modernization or Development:
AMHA is exploring affordable mixed finance development opportunities in Summit County. AMHA seeks to acquire property in the County to develop affordable housing units. AMHA is also exploring modernization and new construction opportunities, through a variety of approaches, such as RAD (described below), mixed-finance, etc.

Demolition and/or Disposition: (Attachment B)
AMHA intends to demolish and/or dispose of the Public Housing properties included in Attachment B.

AMHA will use proceeds received through the disposition of property in accordance with 24 CFR 970.19(e) for the reasonable costs of relocation or disposition; the retirement of outstanding obligations, if any, issued to finance original development or modernization of the project; the provision of low-income housing or to benefit the residents of the PHA, through such measures as modernization of lower-income housing or the acquisition, development, or rehabilitation of other properties to operate as lower-income housing; to leverage amounts for securing commercial enterprises, on-site in public housing developments of the PHA, appropriate to serve the needs of the residents; or for any other use approved by HUD.

Conversion of Public Housing to Tenant-Based Assistance:
AMHA is evaluating its public housing properties for disposition. AMHA may submit an application to SAC and apply for tenant-based assistance.

Conversion of Public Housing to Project-Based Assistance under Rental Assistance Demonstration (RAD): (Attachment C)
AMHA is evaluating its public housing properties for conversion to the Rental Assistance Demonstration (RAD) program. In FY23 and/or FY24, AMHA intends to apply for RAD conversion pursuant to Attachment C.

AMHA expects to be a successful applicant for RAD conversion. As a result, AMHA will be converting to Project-Based Vouchers (PBV) or Project-Based Rental Assistance (PBRA) under the guidelines of PIH Notice 2019-23, REV-4 and any successor notices. Upon conversion to PBV or PBRA, AMHA will adopt the resident rights, participation, waiting list and grievance procedures listed in for conversions to PBV: Section 1.6 of PIH Notice 2019-23, REV-4; PIH Notice 2016-17; and for conversions to PBRA: Section 1.7 of PIH Notice 2019-23, REV-4; and PIH Notice 2016-17. These resident rights, participation, waiting list and grievance procedures are appended to the PH Plan. Additionally, AMHA certifies that it is currently compliant with all fair housing and civil rights requirements.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing AMHA with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, AMHA’s Capital Fund Budget will be reduced by the pro rata share of public housing developments converted as part of the demonstration, and that AMHA may also borrow funds to address its capital needs. AMHA intends to contribute Operating Reserves, Capital Funds, and/or Demolition or Disposition Transitional Funding. AMHA currently has debt under an Energy Performance Contract and will be working with its lenders to address outstanding debt issues, which may result in additional reductions of capital or operating funds. Finally, if needed, AMHA will prepare and publish a significant amendment or update to its Annual/5-Year Plan at the appropriate time to comply with the requirements in 2019-23, REV-4.
AMHA currently operates a project-based voucher (PBV) program and plans to continue working with community partners to identify specific target populations to be served through additional project-basing of vouchers.

Based on a subsequent RFP, AMHA awarded 24 PBVs for Wintergreen Ledges, a proposed workforce development property. We are requesting a Waiver through our MTW flexibilities to include shared housing as an option for PBV's.

The agency intends to issue additional RFPs in the coming year to expand housing opportunities. AMHA may also consider applications outside the RFP process consistent with Chapter 20 of the Administrative Plan. AMHA has tentatively determined that up to 200 additional vouchers could be project-based in the Plan year, although based on proposals received in previous rounds, this is an aggressive figure.

Units with Approved Vacancies for Modernization:
OH007000008, 713123, General Occupancy and OH007000008, 723006, General Occupancy

In addition, as units become vacant and are in need of comprehensive renovations, AMHA intends to request approval to renovate units utilizing Capital Funds, which will result in units being placed in “Approved Vacancy for Modernization” status.

Other Capital Programs:
AMHA May apply for Emergency Safety and Security Grant Funding and/or other HUD Grant Funding Opportunities.
